(Text with EEA relevance)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) 2018/848 of the European Parliament and of the Council of 30 May 2018 on organic production and labelling of organic products and repealing Council Regulation (EC) No 834/2007 (1), and in particular Article 35(9) thereof,

#### Whereas:

- (1) Annex VI to Regulation (EU) 2018/848 sets out the model of the certificate to be issued to any operator or group of operators that has notified its activity to the competent authorities of the Member State in which the activity is carried out and complies with that Regulation. The certificate referred to in Article 35(1) of Regulation (EU) 2018/848 is available in electronic form, using the electronic Trade Control and Expert System (TRACES). The technical development in TRACES allows the digital signature of the certificate with a qualified electronic seal. It is therefore appropriate to add a reference to the qualified electronic seal in the corresponding part of the certificate.
- (2) Regulation (EU) 2018/848 should therefore be amended accordingly,

HAS ADOPTED THIS REGULATION:
